

Motorcraft®

2010-2011

Filtros

*Filtros de aceite
Filtros de aire
Filtros de gasolina*

Larga vida para su motor

FILTROS PARA ACEITE

PRINCIPALES CARACTERÍSTICAS DE LA LÍNEA DE FILTROS MOTORCRAFT®:

- Filtros para Aceite Motorcraft® (larga duración):
- Protegen al motor del desgaste causado por los abrasivos, partículas contaminantes, agua, lodo, etc.
- **Máxima capacidad** de filtración (97%) de abrasivos, contaminantes, residuos, etc.
- Mayor resistencia a altas temperaturas sin que el filtro altere su forma original o se colapse.
- Excelente flujo continuo de aceite, debido a su válvula antiretorno, que permite el paso continuo del aceite, obteniendo un alto grado de eficiencia de paso único, reteniendo y removiendo todas las partículas dañinas en su primer ciclo de filtrado.
- Excelente calidad de retención y durabilidad en el espesor de su papel filtrante, alargando la vida útil del filtro.
- Máxima calidad de todos los componentes del filtro, soportando las más severas pruebas de durabilidad y resistencia efectuadas en laboratorio, lo que proporciona a su motor una **larga vida y eficaz filtración**. Los Filtros Motorcraft® están diseñados para brindar la mayor protección, rendimiento y más larga vida para su motor; ya que por la calidad de los productos y sus componentes de larga duración se ajustan a las más estrictas especificaciones de los vehículos, cumpliendo adecuadamente con la mayor retención de contaminantes.

APLICACIONES:

Para toda la gama de automóviles Ford, General Motors, Chrysler, Volkswagen, Nissan, etc., así como camionetas, pick-ups, camiones ligeros y de carga de cualquier marca.

RECOMENDACIONES:

Es muy importante efectuar cambios de filtros con regularidad, de acuerdo con las indicaciones establecidas por los diferentes fabricantes de vehículos.

GARANTÍA:

Ford Motor Company garantiza que sus **Filtros de Aceite Ford y Motorcraft®** son nuevos y tienen una garantía contra defectos de material y mano de obra bajo condiciones de uso normal y servicio, por 6 meses ó 10,000 Km. lo que ocurra primero, contados a partir de la fecha de venta de la parte.

Ford Motor Company, garantiza la mano de obra bajo condiciones de uso normal y del servicio de mantenimiento adecuados en los casos que el servicio haya sido efectuado en los talleres autorizados Ford.

FILTROS PARA AIRE

PRINCIPALES CARACTERÍSTICAS DE LA LÍNEA DE FILTROS MOTORCRAFT®:

- Están diseñados con una doble capa de material filtrante para incrementar su área de filtración.
- Son de larga duración, ya que captan hasta siete veces más partículas por cm² que los filtros convencionales.
- Abastecen el flujo de **aire limpio y continuo** que requiere el motor para lograr su máxima aceleración y eficiencia.
- Cubren una mayor área de filtrado protegiendo con más eficiencia el motor.
- Son fabricados con los más altos estándares, rebasando inclusive las normas de calidad de otras marcas de prestigio (98.5% de eficiencia en filtración, contra el 96.3% promedio). Los Filtros Motorcraft® están diseñados para brindar la mayor protección, rendimiento y más larga vida para su motor, ya que por la calidad de los productos y sus componentes de larga duración se ajustan a las más estrictas especificaciones de los vehículos, cumpliendo adecuadamente con la más alta retención de contaminantes.

APLICACIONES:

Para toda la gama de automóviles Ford, General Motors, Chrysler, Volkswagen, Nissan, etcétera, así como para camionetas, pick-ups, camiones ligeros y de carga de cualquier marca.

RECOMENDACIONES:

Es muy importante efectuar cambios de filtros con regularidad, de acuerdo con las indicaciones establecidas por los diferentes fabricantes de vehículos.

GARANTÍAS:

Ford Motor Company garantiza que sus **Filtros de Aire Ford y Motorcraft®** son nuevos y tienen una garantía contra defectos de material y mano de obra bajo condiciones de uso normal y servicio, por 6 meses ó 10,000 Km. lo que ocurra primero, contados a partir de la fecha de venta de la parte.

Ford Motor Company, garantiza la mano de obra bajo condiciones de uso normal y del servicio de mantenimiento adecuados en los casos que el servicio haya sido efectuado en los talleres autorizados Ford.

FILTROS PARA GASOLINA

PRINCIPALES CARACTERÍSTICAS DE LA LÍNEA DE FILTROS MOTORCRAFT®:

FILTROS PARA GASOLINA MOTORCRAFT® (LARGA DURACIÓN):

- Proporcionan una protección total al sistema de inyección de los motores de gasolina.
- Alta retención de contaminantes, debido al papel elaborado con la máxima calidad para ofrecer el elemento filtrante que le permite captar las partículas microscópicas más pequeñas (8 a 9 micras).
- Máxima eficiencia de filtración, ya que los Filtros Motorcraft® garantizan la retención de las partículas que pueden tapar o dañar el sistema de combustible (espreas, inyectores, conductos, etc.).
- Proporcionan **excelente continuidad** de flujo y presión de la gasolina, debido a su alta hermeticidad.
- Resisten la presión del flujo continuo de gasolina en condiciones extremas, debido a la tecnología empleada en el sellado.
- La fabricación de los Filtros está hecha con las más rigurosas pruebas de laboratorio y de campo para garantizar un excelente servicio. Los Filtros Motorcraft® están diseñados para brindar la mayor protección, rendimiento y más larga vida para su motor, ya que por la calidad de los productos y sus componentes de larga duración se ajustan a las más estrictas especificaciones de los vehículos, cumpliendo adecuadamente con la más alta retención de contaminantes.

APLICACIONES:

Para toda la gama de automóviles Ford, General Motors, Chrysler, Volkswagen, Nissan, etcétera, así como para camionetas, pick-ups y camiones ligeros y de carga de cualquier marca.

RECOMENDACIONES:

Es muy importante efectuar cambios de filtros con regularidad, de acuerdo con las indicaciones establecidas por los diferentes fabricantes de vehículos.

GARANTÍAS:

Ford Motor Company garantiza sus **Filtros de Gasolina Ford y Motorcraft®** son nuevas y tienen una garantía contra defectos de material y mano de obra bajo condiciones de uso normal y servicio, por 6 meses ó 10,000 Km. lo que ocurra primero, contados a partir de la fecha de venta de la parte.

Ford Motor Company, garantiza la mano de obra bajo condiciones de uso normal y del servicio de mantenimiento adecuados en los casos que el servicio haya sido efectuado en los talleres autorizados Ford.
